NOTICE TO EXHIBITORS

There will be individual familiarization walk through on lead before each height division only for dogs entered in Beginner A, Intermediate A; and for Beginner B and Intermediate B dogs which have not earned the AGI or AGII titles respectively and are not eligible to run in the A class.

Dogs may run with or without a collar. Slip collars, prong collars, or collars with tags are prohibited. Scored performances must be done off lead. If there are obstacles for which you have not trained, bypass them for safety's sake. To receive a qualifying score, dog and handler team must successfully complete all obstacles.

A dog may be entered in Beginner and Intermediate classes at the same agility trial. However, titles will be awarded by UKC in sequence. If a dog meets all requirements for the AGII title, they must complete the AGI title before the certificates or dog's record is updated by UKC.

No entry fees will be refunded after closing date unless entries can be replaced with wait list entries.

Bitches in season may not compete. CDST will refund one-half of class entry fees if veterinarian certification is received by trial secretary prior to start of trial. Full refund will be made if notified prior to closing date or entries can be replaced from the wait list.

Dogs must be under handler's control at all times.

Ample crating space is available. Please bring a mat to put under your crates. Exhibitor crates may be left in the building overnight. No dogs may be left overnight.

Entry fees will not be refunded for dogs excused due to aggression.

No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbance, fire, extreme &/or dangerous weather conditions, an act of God, public emergency or any cause beyond the control of Companion Dog Club of Tulsa or the show committee. **Exception: If our building is forced to close after the closing date by the city or state rules for Covid 19, all entry fees will be refunded.**

NOTE: No dogs under 8 weeks of age are allowed on trial site premises.

Due to Covid 19, we do have to follow current state and city guidelines for “social distancing and cleaning. Masks may be required in the building. “If you are concerned about the possibility of exposure to the coronavirus OR if you are unwilling to follow the current state and city rules, it would be best if you did not enter this trial.” More guidance will be sent to exhibitors closer to the trial.
